

PRESS RELEASE

Edmonton – April 30, 2015

Grand Opening of the Alberta Legal Information Centre

The Association des juristes d'expression française de l'Alberta (AJEFA) is proud to announce the grand opening of the first Alberta Legal Information Centre. This new initiative has been created to increase accessibility to the justice system and confidence in judicial institutions.

Located at La Cité francophone of Edmonton, the Centre is providing legal information, support and referral services with regard to clients' legal questions. These services are provided free of charge, in confidentiality and in addition to existing resources.

Funded by the Department of Justice Canada, the creation of the Centre is the result of a close collaboration between francophone and anglophone stakeholders providing the same level of services.

The management of the Alberta Legal Information Centre lies with Mr. Ali Rachid, who holds a degree in Private Law and a Master in Human Resources Management.

The Centre's services are offered in person or remotely. Individuals can contact the Centre staff by phone at 1 844 266-5822 (toll-free) or by email at question@infojuri.ca. For further information, please visit our website at www.infojuri.ca.

Please note that an opening ceremony of our new premises will be held this afternoon at 4:30 p.m. at La Cité francophone.
